

North Hampton Parks and Recreation

New Dates

CheerLeading with Emily Janvrin at the REC

Current COVID guidelines will be followed including mask wearing at the REC.

Come show your spirit and join our cheer class on Thursdays beginning January 20th. We will have two 4 week classes

Grades K-2 from 5-6pm and Grades 3 and up from 6:15-7:30

In our program we will learn cheerleading vocabulary, level appropriate stunts, level appropriate tumbling. And most importantly cheers.

We will end our program with a showcase performance to show the families what we have learned.

Many of the kids know our own "Miss Emily" from our summer camp and After School Clubhouse. What they may not know is that Miss Emily has been a cheerleader for the past twelve years and has traveled across the country competitively cheerleading. Recently she competed at the Summit at Disney world, capturing first place. She is excited about sharing her knowledge, experience and love of cheerleading to the young people of North Hampton. And would love to see you there

Cost of the program is \$60 for the four week class. When participating child should wear athletic clothing (ex. Legins, shorts, tshirt, sneakers) Longer hair should be put in a pony tail. Please bring a water bottle
